

Nissan/INFINITI Parts Loyalty Program Frequently Asked Questions (FAQ)

Who is eligible to participate in the Parts Loyalty Program?

Only shops in the United States (US) are eligible to participate in the Parts Loyalty Program.

You must enroll in the Parts Loyalty Program through the TraxCollision platform. If you need **assistance** logging in to your **Trax account**, please **reach out to our inbound team** at 888-776-5792.

How long does it take to enroll?

Not long, you simply need to fill out the form on the TraxCollision platform and agree to the Terms and Conditions.

1. Log in to your [TraxCollision](#) account.
2. Click the “**Rebates**” tab in the upper right corner of the screen.
3. Fill out the required information and hit submit.

I don't have a business website; how do I complete enrollment?

If you **don't** have a **business website**, you can provide a URL to a platform that includes your business name, a description of your goods or services, and customer service contact details.

Acceptable options include your BBB, Chamber of Commerce, Carwise, or Facebook page. Facebook should only be used if none of the other options are available, as it may not always include all the required information.

Do I need to complete more than one enrollment for multiple locations?

It depends! If you have 5 shops or fewer, then you must complete enrollment for each shop. If you own more than 5 locations and would like all payments to go to the same account, please review the MSO process below.

How do I enroll multiple locations (5 or more)?

Download the [MSO form](#), fill out the form completely for each location, and then email it to payments.ob@oeconnection.com. Once the document is received, a team member will reach out to you to finalize enrollment.

Rebates are tiered based on OEM parts utilization as shown in the example below:

Achieved OEM Share for Total Repair Monthly Purchases	Earned Rebate Percentage for Each Tier Level	
65%-74.99%	0.25%	
75%-84.99%	0.75%	
85%+	3.50%	
Additional Earned Rebates		
	Certified Repair Network = 0.25%	RepairLogic = 0.25%
Only Sales Through TraxCollision are Eligible for the Parts Loyalty Program		

Collision centers must submit their entire estimate through TraxCollision for eligibility and only part sales through TraxCollision are qualified for the program.

For shops who meet the **minimum 65% Nissan** and INFINITI OEM parts dollars utilization, there are two bonus rebate opportunities:
