

Hyundai Go Genuine ValuTrax Program

In partnership with OEC®, Hyundai is excited to launch the Hyundai Go Genuine ValuTrax Program!

Designed to provide Hyundai dealers with additional tools to grow their parts business. The TraxCollision program provides Hyundai dealers with the ability to increase Hyundai OE parts sales, gain access to additional products to help manage and track deliveries & drivers, and provide shops with electronic credits. Check out the additional tools & solutions available to Hyundai dealers on the Hyundai Go Genuine ValuTrax Program:

Trax™

Parts Procurement

Receive, answer and manage orders electronically. Tracking for your salesman to view your deliveries as they are being made in real-time.

ValuTrax™

Conquest Solution

Increase OEM market share through interactive advertising at the time of purchase.

BackTrax™

Returns / Credits Solution

Track and Manage returns from shops back to the dealer. Credits delivered in real-time.

DeliveryTrax™

Logistics Management

Ensure exact accuracy in the pulling, staging and transport of automotive parts, from the warehouse to your shop.

TraxDrive™

Driver Mobile App

Track and confirm every delivery in real-time. Capture signatures upon delivery and document CODs and discrepancies.

TraxPartners™

Connect Your Shops

Electronically connect to all of your collision and mechanical shops through TraxPartners.

Enroll in TraxCollision today by calling 888.776.5792.
