

## Parts Loyalty Program Frequently Asked Questions (FAQ)

### Who is eligible to participate in the Nissan Direct Rebate Program?

Only shops in the United States (US) are eligible to participate in the Nissan Direct Rebate Program.

### How long does it take to enroll?

Not long, you simply need to fill-out the form on the landing page and agree to the Terms and Conditions.

### I don't have a business website; how do I complete enrollment?

If you don't have a business website, you can provide a URL to a platform that includes your business name, a description of your goods or services, and customer service contact details. Acceptable options include your BBB, Chamber of Commerce, Carwise, or Facebook page. Facebook should only be used if none of the other options are available, as it may not always include all the required information.

### Why aren't my earned rebates populating in the Rebates Dashboard?

When you navigate to the Rebates tab, it will display a dashboard that shows rebate-related information. However, this dashboard is not linked to the Parts Loyalty Program. The "My Rebates" and "Dashboard" tabs are used for tracking a program separate from Parts Loyalty

### Do I need to complete more than one enrollment for multiple locations?

Yes. Every enrollment is tied to an individual shop, meaning you will need to complete a form for each shop eligible for rebates for 5 or less locations. Please note, if you own more than 5 locations, please see the MSO process below.

### How do I register my shop to earn Nissan/INFINITI rebates through TraxCollision?

1. Log in to your [TraxCollision](#) account.
2. Click the "Rebates" tab in the upper right corner of the screen.
3. Click "Parts Loyalty Program" in the navigation menu on the left side of the screen.
4. Fill out the required information and hit submit.
  - a. If you would like to Opt-In to receive a Virtual Card instead of Direct Deposit through Stripe, please select the option to Opt-In for the Virtual Card located under "Deposit into my Bank Account"

## What information is required to enroll and receive Rebates in the Nissan Direct Rebate Program?

There are two ways to receive payments under the rebate program.

1. The primary payment method is via a Virtual Card. A virtual card is a digital payment card that is preloaded with a specific amount of funds. It can be used for multiple transactions until all funds are spent. After the Terms and Conditions are signed, you will receive an email from OEConnection with instructions on how to access your card. All you need to do is create an account and provide your name, email address, and phone number. Once logged in, you can access your card details. All future cards will be emailed and you can access details by logging in to your account. [To learn more about Virtual Cards see our FAQ document here.](#)
2. Alternatively, OEC can pay you via ACH. To do so, your banking information will need to be collected securely via our payment partner, Stripe. Neither OEC nor the OEM has access to the full banking information provided by the shop. Note: Only checking accounts can be used.

## Is there another method to receive a rebate if I do not want to provide banking details?

Yes, if you do not wish to receive Direct Deposit through Stripe, you can opt-in to receive a Virtual Card via email instead.

## If I don't want to use a Virtual card how will OEC collect my banking info to send me the rebates?

The banking info is collected securely via our payment partner, Stripe. Neither OEC nor the OEM has access to the full bank account number.

## How do I enroll multiple locations (5 or more)?

Enroll your shop group in the enrollment form so we have electronic record of T&Cs acceptance. Download the [MSO form](#), fill out the form completely for each location, and then email it to [payments.ob@oeconnection.com](mailto:payments.ob@oeconnection.com).
