How to Earn:

Rebates are paid based on the percent of OE Nissan parts ordered through CollisionLink or TraxCollision. Here's an example of the amount shops can earn with a month's worth of orders totaling \$5,000.

Achieved OEM Market Share	Earned Rebate for Each Level	Rebate Earned*
65-74.99%	.25% Rebate on each dollar	\$12.50
75-84.99%	.75% Rebate on each dollar	\$37.50
Over 85%	3.5% Rebate on each dollar	\$175.00

Bonus Earnings:

Shops that are Nissan certified or using RepairLogic are eligible for additional rebates, which can be stacked with OEM Market Share earnings or earned independently.

Eligible Shops	Earned Rebate	Rebate Earned (Based on a monthly total of \$5,000)*
Nissan Certified Collision Shop	.25% Rebate on each dollar	\$12.50
Using RepairLogic	.25% Rebate on each dollar	\$12.50
