CERTIFIED COLLISION REPAIR NETWORK

Program Benefits

Direct Rebate Deposits

Earn cash when you use Trax to order rebate eligible parts. Earn additional rebates for using RepairLogic or being a Nissan Certified Shop.

No Cost to Access*

You don't have to pay a fee to access Trax for all the great features that come with your subscription.

Reduce Return Rate

Reduce return rates with OE parts, and have instant access to credit memos and electronic returns.

OE Parts Bring More Value

Improve customer safety and satisfaction with peace of mind and faster turnaround time by using OE parts.

Increase Production

Having the right part for the job means correct fitment of the part, quality of the part, cycle time decreases, and return rates reduce.

Technician Retention

Technicians prefer to use OE parts knowing they will fit right the first time. This helps reduce cycle time and increases overall productivity.
